Game Design Elements

Game Design Elements

Goal(s)

What does the player need to **achieve**?

Restrictions

What restricts the player/what **cannot the player do**?

Interactions

How does the game **interact** with the player to keep them interested?

Plot

What **journey** does the player need to go through?

Visual/Music

What **catches** the player's eye/ear?

Momentum

What **pushes** the player?

Twists

What **surprises** make the game fun?
